HWHP EMT Challenge Awards Criteria

Membership with Holland Western Horse Park (HWHP) makes you eligible for great prizes! HWHP members accumulate scores toward Daily High Score and Year End High Point prizes. *While EMT Challenges also count for points with the Premier Mount N Trail Association (PMT), note that riders are not required to become members of PMT in order to be eligible for prizes offered by HWHP.

Class Placings (All Participants)

Each horse/rider combination will receive a score from the PMT-Certified judge in each class and be placed per Premier Mount N Trail Association (PMT) Rules. 1st-6th place will be awarded ribbons. Judges' decisions are final. There is no membership requirement for earning class placings at Challenges.
